PARENT AMBASSADOR PROGRAM

The objective of the Parent Ambassador (PA) program at RVE is to build positive links and effective communication between parents and the classroom teacher. PA's are parent volunteers who are responsible for contacting other parents in their class throughout the school year. An ideal PA candidate would be a parent who accesses their email daily. Nancy Beselt will be coordinating this program – information will be sent out shortly. Examples of emails you made need to send to parents or from teachers incl.:

- coordinating class events/parties
- teacher gifts
- teacher information and reminders
