

## Rose Valley Elementary PAC NEWSLETTER

DECEMBER 2010

### DISCOVER THE POWER OF KINDNESS!

During the month of December, the children at RVE will be focusing on KINDNESS. The kids will be learning of ways to show kindness toward others – remember to ask your children what they've learned this month.

### IN RECOGNITION OF LAST MONTH'S FOCUS AT ROSE VALLEY: EMPATHY

Rose Valley Elementary, together with the children and their families, came together and collected toys/gifts to be sent to the Kelowna Women's Shelter. This year, we collected more than 400 items! **Way to go Rose Valley!!** There are many families in our beautiful city that struggle month after month just to be able to provide food for their children. The Christmas season brings with it an added stress when there isn't enough money for trinkets and gifts. By helping even a little bit you can put a smile on another child's face.

### KEEP SPREADING THE WORD!!

The best way to get information out to everyone is to talk about it. It would be very helpful if everybody reading this could pass along to their fellow parents the importance of registering their child/ren on the: [www.rve.hotlunches.net](http://www.rve.hotlunches.net) website. Even if you do not wish to order anything, it is imperative to register your child/ren as this will be the way that **ALL** RVE and PAC information will be sent – via [www.rve.hotlunches.net](http://www.rve.hotlunches.net). Any school/PAC information will be sent through this website's email program now. Access code when registering is: funlunch  
*Thank you for your cooperation!*

### CARNIVAL COORDINATOR NEEDED

I know that spring seems like a long way off, but organizing a Spring Carnival takes a lot of work. We **REALLY** need a parent/some parents to step up and become the **Carnival Coordinator** to begin the process of organizing this fun event.

Please note that this position will require your time and energy, but by delegating the many positions it shouldn't be overwhelming. Because this event has been organized for many years, there are lots of other parents with experience that can offer assistance too. This event usually generates a substantial PAC profit which goes toward future RVE activities, books and technology; it would be very sad to not have this event because we couldn't find volunteers to help.

Contact [rosevalleypac@gmail.com](mailto:rosevalleypac@gmail.com) for more information.

**None of our fun activities would be possible without the help of our parents!**

## SPECIAL THANK YOU!

We would like to send a special thanks to Choices Market for their generous donation of over \$600 toward Literacy Programs at the school through their Halloween Pumpkin Drive.

Thanks to those parents who went down and purchased a pumpkin for RVE!

This is a PAC sponsored event with limited parental supervision. Families are encouraged to attend together and parents **MUST** be present with preschool-aged children. **Movie will be over at 8pm.**
